

Welcome to **Mustek Technologies Pvt. Ltd.**, the trailblazing brand in distribution since its formation in 2015. With a foundation rooted in innovation, we stand at the forefront of the industry, shaping the landscape of Automatic Identification and Data Capture technology.

We offer cutting-edge products in Mobility Solutions, Scanning & Barcode Printing, from major brands like **GoDEX, Honeywell, Newland, and Datalogic**. With over a decade of expertise, we are committed to adding value and optimising AIDC requirements.

Trust Mustek as your partner in turning possibilities into realities.

Our Partners

GoDEX

GoDex International is an engineering company specializing in designing and manufacturing barcode printing products that lead the industry in value price, high-performance category. GoDex has offices in the US, Europe, and China, and its products are distributed worldwide.

Newland AIDC is a global leader in the auto-identification industry, empowering workforces across retail, warehousing, manufacturing, and more. By providing full data visibility and accuracy, Newland AIDC transforms businesses, enhancing efficiency and precision in every operation.

Honeywell

Honeywell's mobile computers, printers, and data capture devices that improve worker productivity in thousands of companies of all sizes around the world.

Honeywell global businesses have a strong legacy in India, built over the last eight decades. Honeywell's commitment in India is evident in three state-of-the-art manufacturing facilities and four global centers of excellence for technology development and innovation.

DATALOGIC

Datalogic is a global technology company that specializes in automatic data capture and factory automation. They design and produce products like barcode readers, mobile computers, sensors, RFID, and vision and laser marking systems. Their products are used in many industries, including retail, manufacturing, transportation and logistics, and healthcare.

A world-class company, specialising in designing & manufacturing barcode printing products.

Desktop Printers

Reliable, high-quality printing solutions for your everyday business needs.

Industrial Printers

Durable, high-performance printing solutions for demanding industrial environments.

Mobile Printers

Your ultimate companion for mobile life: Portable, lightweight, and ready to go.

Industrial Printers ZX400i+ Series

The ZX400i+ Series offers multiple interfaces with optional WiFi and Bluetooth, making it ideal for diverse application environments.

Industrial Printers ZX1000i+ Series

Intuitive icons, dulcet tones, and a 3.2-inch color touch screen LCD allows the user to be in control.

Accessories

Label Rewinder and Unwind: Ease of use.

Software

GoLabel & GoLabel II are compatible with GODEX printers. Advance to a barcode expert with more powerful functions.

Honeywell

Honeywell offers an extensive range of advanced products designed to enhance efficiency and performance across various applications.

Handheld Scanners

Keep your mobile workforce agile and efficient with our ergonomic wearable scanners.

Industrial Scanners

Built to withstand the harshest environments, our industrial-grade scanners deliver top-tier performance.

Tabletop Scanners

Optimize your POS and daily operations with our reliable general-purpose scanners.

Mobile Computers

Adaptable mobile computers tailored for industries such as distribution centers, retail, and beyond.

Versatile Applications Across Every Industry

Honeywell products keep your workforce agile, delivering top performance even in tough environments. Our solutions streamline tasks from printing to scanning, ensuring efficiency and precision in every operation, whether in retail, distribution or beyond.

Retail

Transportation
and Logistics

Healthcare

Manufacturing

Datalogic is a world-class producer of barcode readers, mobile computers, sensors, vision and laser marking systems.

Fixed Retail Scanners

Single Plane Scanner **Magellan M3410**

On-counter, Vertical Single-Plane Readers with Imaging Technology

Presentation Scanners **Magellan 1500i & Magellan 900i**

Powerful Scanning in the Palm of Your Hand

Multi-Plane Imaging Scanner **Magellan 9300i**

High-Performance Barcode Scanner with Digital Imaging of All Planes. Effortlessly read 1D/2D barcodes without needing to orient items, enhancing cashier efficiency.

Newland makes your daily tasks faster, easier, and more intuitive with various solutions.

Industrial Scanner

This robust scanner is built for demanding environments, offering fast and accurate barcode scanning.

Wearable

Enhance productivity with hands-free devices designed for seamless integration into industrial workflows.

Mobile Scanner

Getting your business boosted with accurate real-time data communication.
